Summary

Aspiring engineer pursuing a B.Tech in Computer Science and Engineering, set to graduate in 2028. Eager to apply my academic foundation to real-world challenges. I am keen on developing skills in relevant areas to propel my career forward. I am also committed to continuous learning and development within the tech industry. Looking forward to exploring opportunities to contribute and grow.

Education

2024 - 2028

Birla Institute of Applied Sciences (BIAS), Bhimtal, Nainital

Graduation • B.Tech/BE (Bachelor Of Technology/Bachelor Of Engineering) • Computer Science And Engineering

CGPA - 8

Currently pursuing my graduation in Sustainable Architecture at Birla Institute of Applied Sciences (BIAS) in Bhimtal, Nainital. My studies focus on Computer Science and Engineering, providing a strong foundation in relevant technologies and design principles essential for innovative and sustainable architectural solutions. I am scheduled to complete my degree in 2028.

Certification

Introduction to Front End Development

I completed the Introduction to Front End Development certification from Simplilearn in September 2025 enhancing my skills in HTML, CSS, and JavaScript. This aligns with my foundational education in web technologies and supports my ability to create interactive and engaging user interfaces. It reflects my dedication to continuous learning in web development.
